Contact: *Priyanshu Agrawal (Founder - TrueCompanion) - 7753831805*

PERSONAL PROJECTS

StrangeFlix (09/2020 - 11/2020)
- An On-Demand Video Streaming web application with a paid subscription plan where admin can upload videos via device & youtube and the user can stream videos with free initial trial videos. I was in charge of designing the website and providing a layout for the backend team members.
- Tech Stack - HTML,CSS,Bootsrap (Frontend), Django (Backend), PostgreSQL (Database), Stripe API for payment and many other APIs.

POSITION OF RESPONSIBILITY

Designing Member of SRIJAN (06/2020 - Present)
Srijan is our annual college magazine. I , along with my seniors and professors, have successfully completed the magazine. Apart from this, I have also designed a college annual calendar for the session 2021-22.

Mentor and Graphic Designer at Student Mentorship Program, MNNIT
 (05/2020 - Present)
Organizing events and mentoring around 20 Computer Science juniors of our college in every aspect that I can.

Member of Rotaract Club of MNNIT (03/2020 - Present)
Rotaract MNNIT is an international service organization under the Rotary International for all who wish to create a difference in the society today.

ACHIEVEMENTS

Selected as a participant for GirlScript Summer of Code 2021 (03/2021 - Present)
GSSOC is a 3-month long program that celebrates the open-source culture. I am an active contributor to various open-source projects under the program.

Secured 4rth position in TechMaiden (10/2020 - 11/2020)
TechMaiden is a solo all-girls coding and aptitude round followed by interviews in Avishkar, which is our annual techfest.

Cleared the qualifying round of Facebook Hackercup 2020
Hacker Cup is Facebook's annual open programming competition. Open to participants around the world.

JEE Mains - AIR 2612 (2019)
